

Good day racers and fans.

Members, racers, and fans, it appears that we are finally going to kick our race season off this Saturday, June 20th. We are heading to Talladega Alabama to the famous Talladega short track. Hopefully, the Good Lord will smile on us and provide beautiful weather and safe journeys for all of us. Their website is showing that the gates will open at 3pm Alabama time. Let's try to arrive a little early, get set up and take care of our club business early.

This is a big race weekend both for the short track and the superspeedway. Potentially, this will mean a big fan turnout and more exposure for us. Let's put on a good show and bring them back home in one piece. Everyone be safe while traveling and we will see everyone there Saturday. God bless and take care.

Your president,
Lamar Kellum
